Opening remarks for the Midwest A&WMA Technical Annual Conference will begin Monday, February 26th at 1 PM, followed by a regulatory agency roundtable. Monday will conclude with a happy hour / networking event. A full day is planned for Tuesday, February 27th with three breakout sessions, a general session during lunch with a guest speaker, and a final keynote presentation.

The annual conference is an opportunity for environmental professionals to interact with regulatory agency staff and participate in educational tracks. Our conference ranges from 150 to 200 attendees. The conference agenda will be available at: midwestawma.org.

Your sponsorship underwrites this first-rate conference at a very reasonable price to attendees:

- The cost of the conference, prime meeting space, two breaks, lunch and the reception
- Scholarships for students
- Participation by state agency personnel
- Support for Engineers Without Borders

Thank you for your past support. Please contact our sponsorship lead, Mark Weckwerth, to be a sponsor for our 2018 conference and throughout the year:
