

AIR & WASTE MANAGEMENT
A S S O C I A T I O N
MIDWEST SECTION | Nebraska, Iowa, Kansas, Missouri

SPONSORSHIP OPPORTUNITY
Midwest Section
Air & Waste Management Association

Our 2020 Annual Technical Conference has been developed as an online version scheduled with four webinars throughout September 2020. We are seeking sponsors for these webinars and other Midwest A&WMA activities through 2020 and 2021.

Our September conference webinar series will include a series of 4 webinars with our typical “1st Day” conference events: Directors Forum (2 events), Air Roundtable, and Waste Roundtable. We are also continuing to plan monthly meetings both on-line and in-person (as permitted by reopening guidelines) as well as hosting a Young Professionals Workshop in Fall 2020. These activities provide multiple opportunities to support A&WMA and continue recognition of your organization.

Because of the change to this year’s conference and in recognition of reduced marketing budgets across our industry, we are offering a single “**Sustaining Sponsor**” level at **\$500** for July 2020 through June 2021.

The current sponsorship opportunity will provide benefits and recognition through June 30, 2021.

Benefits for our 2020/2021 **Sustaining Sponsors** include:

- ◆ **Logo displayed and recognized as a sponsor during the 2020 Virtual Conference Webinars pre-meeting introduction and in the conference program**
- ◆ **Recognition at Monthly Midwest A&WMA Meetings**
- ◆ **Recognition as a sponsor at the virtual Fall 2020 Young Professionals Workshop**
- ◆ **Sponsor Logo/Link on the Section Website through June 30, 2021**
- ◆ **One Complimentary registration for our Fall 2020 Young Professionals Workshop**
- ◆ **Recognition as a Sponsor to our Scholarship Recipients**
- ◆ **Support for Engineers without Borders**

Thank you for your past and future support. Please contact our sponsorship lead, Brian Hanks, to be a **Sustaining Sponsor** for 2020 and 2021:
