Exhibitor table and two-minute company intro at beginning of a session	◆	◆	
Logo shown at buffet and refreshment tables during meals and breaks	◆		
Complementary registration(s)	2	1	1
Company flyer included in Registration Packet	◆		

The 2022 Midwest A&WMA Technical Annual Conference will begin Tuesday, May 3 at 1:00 pm, followed by a regulatory agency roundtable. Tuesday will conclude with a happy hour / networking event. A full day is planned for Wednesday May 4 with three breakout sessions, a morning keynote presentation, a general session during lunch with a guest speaker, and a legal panel to close out the day.

The annual conference is an opportunity for environmental professionals to interact with regulatory agency staff and participate in educational tracks. Our conference attendance is typically 100 to 200. The conference agenda will be available at: midwestawma.org.

Your sponsorship underwrites this first-rate conference at a very reasonable price to attendees:

- The cost of the conference, prime meeting space, two breaks, lunch and the reception
- Scholarships for students
- Participation by state agency personnel (reduced registration fees)
- Support for Engineers Without Borders

Thank you for your past support. Please contact our sponsorship lead, Mitchell Krasnopoler (Mitchell.Krasnopoler@midwestawma.org, 913-967-9069) to be a sponsor for our 2022 conference and throughout the year:
