Exhibitor table			
Company flyer included in Registration Packet			
Acknowledgement in the Conference Program			
Receive the attendee list and contact info			
Complementary registration(s)	1	1	2
Registrations for professionals new to the environmental field (≤ 5 years)	1	1	2

The 2024 Midwest A&WMA Technical Annual Conference will be on Tuesday, May 7th from 8:00 am to 5:00 pm, and will include regulatory agency updates, two breakout sessions, a general session during lunch with a guest speaker, and air and waste roundtables. At the conclusion of the conference, there will be a happy hour/networking event.

The annual conference is an opportunity for environmental professionals to interact with regulatory agency staff and participate in educational tracks. Our conference attendance is typically 100 to 150. The conference agenda will be available at: midwestawma.org.

Your sponsorship underwrites this first-rate conference at a very reasonable price to attendees:

- The cost of the conference, prime meeting space, breaks to visit exhibitors, lunch and the happy hour
- Scholarships for students
- Participation by state agency personnel (reduced registration fees)
- Support for Engineers Without Borders

Thank you for your past support. Please contact our sponsorship lead, Mitchell Krasnopoler (sponsor@midwestawma.org, 913-967-9069) to be a sponsor for our 2023 conference and throughout the year:
